USE OF LAND FEE ³	\$0 to \$100	\$100 to \$200	\$100 to \$500	\$100 to \$500	Minimum \$500	\$ _____
FEE RANGE	\$0 to \$300	\$200 to \$550	\$450 to \$1150	Minimum \$550	Minimum \$950	
						TOTAL \$ _____

¹. Covered Use: Substantial other User fees have been collected. No fee shall be charged to a governmental unit including school district in this use category. Otherwise, the minimum fee is the \$50 application fee.

². Based on \$50 per hour or \$200 per half day of staff review or monitoring time. This includes travel costs, if applicable.

³. May also be determined by separate appraisal for medium, high, and very high intensity uses of land, and for long-term uses (leases or concessions).

⁴. Surface Use Lease and Concession Agreement assignment requests are subject to a minimum \$200 Application and Review Fee.

⁵. Surface Use Permits for Oil and Gas Well sites remain subject to a \$300 Application and Review Fee. An additional Monitoring Fee may also be added. Seismic Survey Permit requests are also subject to a minimum \$300 Application and Review Fee. An additional Monitoring and Use Fee may be charged.

The combined Facility and Resource Impact Rating will provide guidance as to the amount to charge for the Use of Land Fee within the specified range. Easement applications and Land Transaction applications are not covered by this Fee Schedule.
